WASHOE COUNTY OFFICIAL PAPER.

C. C. POWNING, EDITOR AND PROPRIETOR.

THURSDAY.....FEBRUARY 24, 1876.

For President of the United States:

B. H. BRISTOW,

SUBJECT TO THE DECISION OF THE

REPUBLICAN NATIONAL CONVENTION

Crooked Tactics to Remove Bristow.

There is a movement of much more than ordinary strength having for its object the retirement of Secretary Bristow upon the conclusion of the Babcock trial, without regard to its result. There are two methods of working; one is to annoy the Secretary in many ways, so as to induce him to tender his resignation, while another involves influencing the President to ask for his resignation. The main object of one class in this is to stop the active operations of the Chicago, Milwaukee, and Peoria prosecutions, and so save any further exposures. Those laboring in this direction are desperate, and will stop at no intrigues to attain the desired end. They care nothing whatever for the President in the matter, and are thinking only of saving either themselves or their political friends. Several times before the same efforts have been made, and some of the same methods now employed have been made use of, but each time the plot has failed. This time, those at work have confidence in their success, as they feel sure that if the Secretary, as heretofore, scorns their attempted annoyance and continues his work unflinchingly, they will be able to prevail upon the President to ask for his resignation. To secure this, the whole Ring, touched by the various trials had in progress, is industriously working with the idea that any change which takes them out of Bristow's hands cannot be but for the better. This matter is altogether an open secret here, and is the subject of considerable talk on the floor of both Houses. It is well understood that the further probing of the Great Northwestern Ring depends upon the success of getting Bristow out at the close of the Babcock trial.—*Washington Letter.*

Bullion Product.

The Storey county mines produced 126,600 tons of ore during the quarter ending December 31st. The principal portion of the aggregate comes from the Belcher, Crown Point and Consolidated Virginia mines, though a considerable value was also received from the Ophir and Imperial mines, as will be seen by the annexed statement:

	Tons	Average.	Yield
Con. Virginia	20,000	$119	$2,205,000
Belcher	40,300	22	909,800
Crown Point	29,700	17	508,000
Ophir	8,200	48	419,200
Gholar-Potosi	6,800	16	119,000
Imperial	2,700	27	71,000
Hale & Norcross	3,000	17	51,000
Other mines	17,800	8	144,800
Totals	126,600		$3,523,800

The product for the period would have been much larger if the Virginia fire last October had not curtailed operations at the Consolidated Virginia and Ophir mines.

Gold Bars are quotable at 800@900.

Refined Silver is 8@10 per cent. discount.

THE Post Office Department has selected the design for a three cent stamped envelope, to be used during the Centennial Exhibition. The stamp will be in the form of a shield, having at the top and bottom the dates 1776 and 1876. Beneath the upper figures will be the words, "Three Cents." Upon the face of the shield will be a post boy and a net work of telegraph poles and wires and beneath, an engine and postal car.

GOLD.—The hardening tendency in gold is maintained, and the quotation in New York Tuesday afternoon was 114, the highest in some time. The strong position of the market is due to the active demand for remittance and the payment of duties on foreign imports.

VARIOUS MATTERS.

Capt. Boyton is showing himself in a St. Louis Variety Theater.

A Jewish Rabbi has been preaching in a New Haven Methodist pulpit.

All the employes of the Concord, N. H., Railroad have been compelled to sign the temperance pledge.

The hard substance that a Massachusetts boy struck in a hay mow with a pitchfork, was the head of a sleeping tramp.

Columbia river, Oregon, is to be opened to Dallas by means of locks at the Cascades, if Congress will grant $800,000 for the purpose.

John MacGregor, the "Rob Roy of the Jordon," has dispensed to the poor the sum of $16,000, the proceeds of lectures on his adventures.

New Haven appropriated $10,000 to help the unemployed, and there are so many applications for work that each person can only obtain a five day's job a month.

Citizens of Hartford are signing a petition to Queen Victoria for the release of Edward O'Meagher, a Fenian raider now undergoing a life imprisonment in London.

Three years ago Sheffield sent cutlery and steel rails to the United States valued at £1,700,000. Last year the total value of goods exported to this country was only £690,000.

A grand Centennial celebration is being arranged by the Germans of Reading, Pa., who are sending invitations to all the leading singing and shooting societies in the country.

The annual report of the State Auditor of Kentucky has an item of $11,508 25 paid for scalps, but whether for the scalps of foxes, wolves, bears, or Ku Klux is not definitely set forth.

An association known as the Mind and Thought Society has been formed at Lynn, Mass., to which principals and teachers in the public schools, ministers, lawyers and editors are eligible.

Michael McFadden and Michael Burns, of Fall River, quarrelled in the presence of McFadden's dog; the dog may not have understood the affair, yet the next time he met Burns he attacked him savagely, inflicting dangerous wounds.

There are nearly 500 men employed in the hemp packing rooms of the Kentucky penitentiary, and the heavy dust has such a tendency to produce blindness and consumption that the authorities are talking of abolishing the industry.

Ernest Giles, the South Australian explorer, found two deserts in his recent journey to the interior. In one no water was obtained for 326 miles; the other, 180 miles wide, terminated at a wall of granite, where an attack was made by the natives.

The Supreme Court of California has overruled Judge Wheeler's Industrial School decision. It holds that the declaration of rights in the Constitution can not be construed into a declaration of, hoodlum independence.

It is proposed that a base ball team, composed of Californians, should be sent to Philadelphia to compete with the "crack" teams of the East during the Centennial Exhibition.

Tuesday was a good day for State Conventions. A Greenback Convention met in New Haven, Connecticut; the Indiana Republican Convention met in Indianapolis; the Wisconsin Republican Convention met in Madison; the Rhode Island Prohibition Convention met in Providence.

The State Prison investigation farce has come to an abrupt determination, Governor Bradley retiring from the field in good order, but leaving Hyman master of the situation. The end, however is not yet, as evidently Hyman will try and force a complete surrender. And the Governor will die in the struggle or achieve a victory.

THE NEXT BALL.—We shall probably have a rest for a short time now on the ball question. The next grand ball will no doubt be the one given by the Odd Fellows on their anniversary day—April 26th.

ROVER'S TRIAL.—The trial of J. W. Rover for the murder of I N. Sharp is set for trial to-day in the Humboldt District Court.

TELEGRAPHIC MELANGE.

Summary of Important Telegrams.

The Great Four-Mile Race—Foster the Winner in Two Straight Heats—The Race Witnessed by Twenty Thousand People.

SAN FRANCISCO, February 22.

The attendance at the Bay District track to witness the four-mile-and-repeat race for the $30,000 purse was very large—estimated at 20,000. The track was in fine condition and the weather fair with a light wind. Rutherford was the favorite in the pools at $1,000, Foster $500, Golden Gate $235, Katie Pease $215, field $150. Selling was very lively.

After considerable delay the horses were called for a start a 2:50. Katie Pease drew the pole, Rutherford second, Foster, Hockhocking, Chance, Revenue and Golden Gate in order. The horses got away at the third attempt well together, Chance a little ahead. On the back stretch Hockhocking got the lead, passing the half in one minute but fell behind at the turn, Chance leading to the score with Foster second, Rutherford third and the others well together, a little behind. Time, 2:30.

On the second mile Rutherford and Foster drew ahead of Chance, and the rest bunched, and maintained that position to the score. Time, 1:53½.

Chance now began to flag and on the third mile was passed by Katie Pease. Rutherford maintained a slight lead closely pressed by Foster and came under the string in 1:52. Foster second and Katie Pease third.

On the fourth mile Hockhocking, who had been running easily with the field, drew ahead of Pease and Foster, pushed Rutherford through out, passing him on the home-stretch and winning the heat by a neck in 1:50½, with Rutherford second. Hockhocking was apparently a fair third, the rest being well in the rear; getting the distance flag in their faces, and to the surprise of the whole assemblage Hockhocking was was also adjudged distanced. The ruling in his case excited universal dissatisfaction and much unfavorable comment was made on the action of the judges, it being claimed by many that Hockhocking had run a waiting race and was good to run the second heat, coming in very fresh, and was shut out purposely to prevent such a result.

The backers of Rutherford now began to hedge, Foster having the call in the pools two to one. At 3:45 the horses were called for the second heat and made a false start, going entirely around the track. At the second attempt they got off together; Foster drew slightly ahead, and at the half led by half a length, which position was maintained to the score. Time, 2:03. On the second mile Foster slightly increased his lead, passing the half one length ahead. On the home-stretch Rutherford closed on him and they went under the string in 1:53, Foster half a length ahead. The latter now began to forge ahead and again at the half was a length ahead. Rutherford made a fine burst and they passed the stand Foster only a neck ahead. Time, 1:54. Rutherford's last effort seemed to tell on him and in the fourth mile he fell steadily behind. Foster led two open lengths at the half and came in an easy winner of the heat and race by six open lengths in 2:03.

Indiana State Republican Convention—Platform and Resolutions.

INDIANAPOLIS, Feb. 22.

The Indiana Republican State Convention at 10 o'clock was called to order by General Brady, chairman of the Central Committee. Prayer was offered by Rev. Mr. Bayliss.

N. P. Richmond, chairman of the committee on selection of officers, presented a report as follows: E. B. Martindale, editor of the *Journal*, chairman; John W. Ray, principal secretary, with one vice president and secretary for each congressional district. The report was unanimously adopted.

Col. Thompson, chairman on the Committee of Resolutions, read the platform and resolutions, of which the following is a short abstract:

After recounting the record of the Republican party the resolutions then declare: expresses preference for Union soldiers for office as against unnostled Confederates; insist on religious freedom and entire separation of Church and State; recommend the repeal of the Specie Resumption act, and maintainence of the present system of currency; applaud the financial policy of the Republican party; oppose the payment of the Confederate debt or Confederate losses; demand economy in the administration of State or National Government; no laws in opposition to the wish of the majority; approve Grant's administration; present Senator Morton to the National Republican Convention for nomination for the Presidency.

The convention then proceeded to ballot for State officers. The following names were presented for Governor: Gollove S. Orth, James C. Denny, Leonidas Sexton, David C. Branham and Albert G. Porter. A letter was read from Porter positively declining. Orth was nominated on the first ballot.

Nominations were then made as follows: For Lieutenant-Governor, Col. R. S. Robertson; Judges of the Supreme Court—First District, W. P. Edson; Second District, A. C. Voorhees; Third District, H C. Newcomb; Fourth District, J. F. Kibbey. The first ballot for Secretary of State resulted in no choice.

Special Counsel Broadhead's Remarks on the President.

CHICAGO, Feb. 22.

A St. Louis special says: Telegraphic communication was kept up all day yesterday between the District Attorney's office and Washington. The subject was Broadhead's remarks on the President, which are said to have raised a worse breeze than did Henderson's. The news has reached Washington that Dyer will probably let himself out in closing, and he has been receiving alternate warning from Pierrepont and hints from Bluford Wilson. The impression is strong that Dyer will say something pretty bold. A telegram from Washington states that the President is greatly enraged at Broadhead and that he proposes to immediately dismiss him from the government counsel and only gave up that idea upon the representation of a Western Senator, who explained how dangerous would be the effect of such an act just now.

Wisconsin for Blaine.

MADISON, Feb. 22.

The Republican State Convention met this morning and adopted the following resolution:

Resolved, That while we believe that the choice of Union Republicans is emphatically in favor of the nomination of the nations gifted son, Hon. James G. Blaine, yet in view of the time to intervene before the assembling of the National Convention we deem it inexpedient to instruct our delegates, but trust to their intelligence, discretion and fidelity to fairly represent their constituents in the discharge of this important duty.

THE GRAND MASQUERADE.

Dyer's Hall was full to overflowing Tuesday evening on the occasion of the bal masque of the Reno Library Club. The hall bore traces of the work done by the Committee of Arrangements. At the head was a picture of Grant, surmounted by the name cut in evergreens, and the initials R. L. S. C.—1876. The other end of the hall was adorned with Washington's picture and these words and letters, also cut in evergreens: "Centennial — 1776 — Washington." On either side was evergreens—and on one side "Education;" on the the other "Free Library." Flags and other decorations made the hall present a neat appearance.

GOVERNOR'S REWARD.—In compliance with the request of many citizens of Washoe county Governor Bradley has offered a reward of five hundred dollars for the arrest and delivery to the Sheriff of Washoe county of the person or persons who murdered, under circumstances of great cruelty and barbarity, Thomas Donnelly, near Franktown, on the 3d of February last. See official proclamation in our advertising columns.

BALL AT PEAVINE.—The residents of Peavine indulged in a dance Tuesday evening, and for a worthy object—the benefit of their school. In lieu of coin, Consolidated Poe "orders" were taken for the admission fee of two dollars, which "orders" Jamison has agreed to take at par for books, maps, globes, and such other articles as the school stands in need of. There was no expense attached to the ball, everything being furnished free, and the generous lady residents contributing the supper. Good for all who aided in the cause.

BENEFIT.—The Reno Opera House to-morrow night is the place to get your money's worth. The Murphy Combination Troupe will play for the benefit of the Reno Engine Company. The programme is a good one—the screaming negro farce of "Blings and Jinks" and the "Skidmore Guards," and between them is sandwiched some bully good fun. Take it in.

VERY GOOD.—The Reno Library cleared about one hundred dollars by its grand bal masque on the 22d. This is very good indeed, and it will be devoted to improving the library. As the dues from members is now sufficient to pay running expenses all proceeds from benefits, donations, etc., will be used to purchasing new books, papers, etc. The library is a worthy object well sustained.

INFORMATION WANTED.—Any person knowing of the present whereabouts of Charles H. Turner, who came to the Pacific Coast twenty-seven years ago, will confer a favor by forwarding such information as he may possess to Samuel L. Jones, Gold Hill, Nevada.

LOCATED.—J. E Jones & Co. are comfortably located in their new quarters on Commercial Row, and are prepared as ever to buy and sell currency and exchange, mining stocks, Government and State bonds, and make collections, receive deposits and do a general banking business.

BAPTIST CHURCH.—Work has been commenced and is prosecuted with vigor on the First Baptist Church, located on Second street, and Mr. Fisher, the able pastor, expects to hold divine service in the new structure on Sunday. True enterprise.

GOOD.—The holiday vacation proved of benefit to mining securities. The market opened very strong yesterday, Ophir, Mexican, Consolidated Virginia, California, and others, showing a marked advance.

ALL members of the Reno Fire Department are desired to attend the meeting to be held this evening at 7:30 o'clock, at Judge Gilson's office. Business of importance will be presented.

CATTLE FOR SALE.—Geo. Alt, of Glendale, has four hundred head of well bred stock for sale. Some are three-quarter blooded; many are half Durham and the rest common stock. They will be sold cheap.

TREASURER'S REPORT.—We acknowledge the receipt of the annual report of Jerry Schooling, State Treasurer, for the eleventh fiscal year, ending December 31st, 1875.

FISHING TACKLE.—A. P. Dallam's is the place to go for fishing tackle of all kinds. He has received a splendid lot, and sells the same at a low price.

THE GREAT RACE.—The great $30,000 race was easily decided. Foster won the race in two straight heats. Time, 7:38 and 7:53.

NEW TO-DAY.

STATE OF NEVADA.

By the Governor—A Proclamation.

WHEREAS, ON THE 3D DAY OF FEBRUARY, 1876, one THOMAS DONNELLY was, near Franktown, in the county of Washoe, murdered under circumstances of great cruelty and barbarity by some person or persons unknown, who have until the present time escaped apprehension by the officers of the law; now therefore,

I, L. R. Bradley, Governor of the State of Nevada, by virtue of the authority in me vested by the Constitution and laws of this State, and in compliance with the request of many citizens of Washoe County, do hereby offer a reward in the sum of

FIVE HUNDRED DOLLARS,

In U. S. gold coin, for the arrest and delivery to the Sheriff of Washoe County, of the perpetrators of said crime, the same to be paid whenever the Board of Examiners are satisfied the guilty party or parties have been arrested and delivered up as aforesaid.

PROCLAMATION!

Chicago and Northwestern Railway!

IS THE POPULAR ROUTE OVERLAND TO the East. Passengers for Chicago, Niagara Falls, Pittsburg, Philadelphia, Montreal, Quebec, New York, Boston or any point East, should buy their

Trans-Continental Tickets

Via the Pioneer Route,

Chicago and Northwestern Railway,

THIS IS THE BEST ROUTE EAST.

Its track is of STEEL RAILS, and on it has been made the fastest time that has ever been made in this country. By this route passengers for points east of Chicago have choice of the following lines from Chicago:

By the Pittsburg, Fort Wayne and Chicago and Pennsylvania Railways—three through trains daily, with Pullman Palace Cars through to Philadelphia and New York on each train. One through train, with Pullman's Palace Cars, to Baltimore and Washington.

By the Lake Shore and Michigan Southern Railway and Connection, (New York Central and Erie Railroads)—Three through trains daily, with Palace Drawing Room and Silver Palace Sleeping Cars, through to New York.

By the Michigan Central, Grand Trunk, Great Western and Erie and New York Central Railways—three through trains, with Pullman Palace Drawing Room and Sleeping Cars through to New York, to Niagara Falls, Buffalo Rochester or New York City.

By Baltimore and Ohio Railroad—Two through trains daily, with Pullman Palace Cars, for Newark, Zanesville, Wheeling, Washington and Baltimore, without change.

This is the shortest, best and only line running Pullman's celebrated Palace Sleeping Cars and Coaches, connecting with the Union Pacific Railroad at Omaha from the West, via Grand Junction, Marshall, Cedar Rapids, Clinton, Sterling and Dixon, for Chicago and the East.

This popular route is unsurpassed for Speed Comfort and Safety. The smooth, well ballasted and perfect track of steel rails, the celebrated Pullman Palace Sleeping Cars, the perfect Telegraph System of moving trains, the regularity with which they run, the admirable arrangements for running through trains to Chicago from all points West, secure to passengers all the comforts of modern Railroad travelling. No changes of cars and no tedious delays at ferries.

Passengers will find tickets via this favorite route at the General Ticket Offices of the Central Pacific Railroad in San Francisco and Sacramento and in all the Ticket Officers of the Central Pacific Railroad.
